

## Technical Product Specification

### Stainless Steel Dome: DVSS100, DVSS125 DVSS150 & DVSS200B

The DVSS range is designed for a high level of protection against weather elements and can be used as an inlet or an outlet vent.

The Dome is made from quality 316 Marine Grade Stainless Steel. The Dome also complies with BAL40 bushfire rating as the vent is supplied with a cinder mesh insert.

Extra features include:

- › Screws, arrow head and rubber seal included
- › Curved design for snow and heavy rain regions

*\*Items marked with an asterisk are constructed from 304-Grade Stainless Steel*
