

## Technical Product Specification

### Stainless Steel Eave: EVSS100, EVSS125, EVSS150 & EVSS200B

The EVSS range are ideal for under eave ventilation, featuring a flush face. The open mesh makes them suitable for wall or ceilings as an inlet/outlet vent.

The Eave is made from quality 316 Marine Grade Stainless Steel. The Eave also complies with BAL40 bushfire rating as the vent is supplied with a cinder mesh insert.

Extra features include:

- › Egg-crate style grille to prevent pests and vermin from entering the system
- › Screws and rubber seal included

*\*Items marked with an asterisk are constructed from 304-grade stainless steel*

Model	Description	Colour
EVSS100	Eave Vent Marine SS - 100mm	Silver
EVSS125	Eave Vent Marine SS - 125mm	Silver
EVSS150	Eave Vent Marine SS - 150mm	Silver
